Band 5 radiographer

Organisation

Forth Valley Royal Hospital, Larbert

Description

An exciting opportunity has arisen within NHS Forth Valley radiology department for a band 5 radiographer to come and join our team.

Radiographers currently rotate through all general areas including Emergency Department (ED) and will be expected to participate in the out of hours/shift rota after appropriate training.

You will be an HCPC registered Diagnostic Radiographer in possession of the BSc/BSc Hons/MSc in Diagnostic Radiography or equivalent.

Student radiographers pending successful graduation/HCPC registration in 2022 or radiographers returning to practice may also apply. There is potential for any successful student candidates to be employed as a temporary band 4 assistant practitioner prior to HCPC registration after which this will become a permanent band 5 radiographer post.

The duties of this post requires you to be a member of the Protecting Vulnerable Groups (PVG) Scheme. More information on this scheme can be found at www.disclosurescotland.co.uk.

NHS Forth Valley is positive about disabled people and is committed to offering an interview to disabled people who meet the minimum criteria for the job.

Please contact the Recruitment Office on 0330 041 4694 if there are any reasonable adjustments, we can make to assist you with your application and/or interview.
