

Radiologists (SMO's) and medical radiation technologists (MRTs)

New Zealand

Description

Are you looking for a fantastic lifestyle and a career that makes a difference?

A career that will offer you opportunities to develop and share medical knowledge within a diverse and challenging health environment.

Counties Manukau Health is a dynamic and progressive organisation at the forefront of innovative health care delivery within the New Zealand Public Health Sector. Our clinical services are located on two sites. The main hospital is in Otahuhu whilst our outpatient and day surgery centre is located in Manukau, a short distance from our main site. Middlemore Hospital is the National Spinal and Burns centre, a tertiary centre for orthopaedics, and a major trauma hospital exposing you to a wide range of pathology imaging.

We are a large teaching organisation, offering a very supportive learning environment, encouraging continual professional development and education. The hospital offers a wide range of services to the most diverse population in New Zealand

Our radiology department is currently undergoing relocation and expansion and will open two new large facilities over the next three years. The team includes over 50 radiologists and 14 radiology registrars. We perform approx. 225,000 exams per year across x-ray, US, mammography, CT, MRI and intervention.

We are currently seeking applications from both exceptional radiologists (SMO's) and medical radiation technologists (MRTs) to join our expanding team. We are looking for people who are motivated, organised, team players with good computer skills to join our radiology department.

We have a lot to offer:

- Fantastic educational opportunities
- Ongoing commitment to professional development
- A wide variety of work
- New, modern state-of-the-art equipment
- Very supportive team environment
- Relocation assistance

If you would like the chance to work in the busiest trauma hospital in Australasia, here's your opportunity!

Applications can be made online on our website.

Salaries are competitive and ongoing professional development is encouraged and supported. Registration is essential and you will be required to hold a current APC. We will reimburse successful candidates registration fees. We are an accredited employer with the NZ immigration. We offer financial relocation support as well as relocation assistance to qualifying candidates.
