

DIAGNOSTIC IMAGING SALES SPECIALIST

Synapse Medical UK, part of the SISK Healthcare Group are delighted to be adding to their team as they expand their Diagnostic Imaging portfolio throughout the UK. The successful applicant will be joining a highly motivated and inclusive team that fosters a patient-centric approach to all facets of their business.

Purpose:

- Create and implement sales strategies to grow market share for all products within the DI portfolio
- Provide clinical support/training on the current range of products within the Diagnostic Imaging portfolio
- Remain commercially focused to meet or exceed target expectations for an established product segment
- Entrepreneurial spirit, self-motivated and team player
- Modality training in MRI, U/S, General X-ray or U/S would be advantageous
- Radiography sales and applications experience would be advantageous

Location: London and South UK.

Products: Innovative Diagnostic Imaging products.

If you are looking to advance your career and are interested in embarking on a new challenge where your skills as a radiographer will be enhanced, then please get in touch with bobrien@synapsemedical.ie
